| Alternative Catalog Number | USB-A1377-96N-50                                                                                                                                                                                                                                                                                        |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                           |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                          |
| Product Description        | Biotin-labeled Nucleotides are used for non-fluorescent labeling of nucleic acids in purification and detection applications. Spectroscopic Properties: $\lambda_{\text{max}}$ 266nm, $\epsilon$ 16,200 M <sup>-1</sup> cm <sup>-1</sup> , Tris-HCl, pH 7.5 Storage and Stability: May be stored at ... |
| Molecular Weight           | 832.65                                                                                                                                                                                                                                                                                                  |
| Purity                     | 95% (HPLC)                                                                                                                                                                                                                                                                                              |
| Form                       | Supplied as a liquid in buffered solution, pH 7.5. Labeled with Biotin.                                                                                                                                                                                                                                 |
