## Product Datasheet

### **HSP90AA1 recombinant monoclonal antibody, clone 4F8, Clone: [4F8], Monoclonal ABN-RAB08220**

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | HSP90AA1 recombinant monoclonal antibody, clone 4F8, Clone: [4F8], Monoclonal            |
| Biozol Catalog Number      | ABN-RAB08220                                                                             |
| Supplier Catalog Number    | RAB08220                                                                                 |
| Alternative Catalog Number | ABN-RAB08220-50                                                                          |
| Manufacturer               | Abnova                                                                                   |
| Category                   | Antikörper                                                                               |
| Application                | ELISA, IF, IHC                                                                           |
| Species Reactivity         | Human                                                                                    |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human HSP90AA1. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human HSP90AA1....                 |
| Clonality                  | Monoclonal                                                                               |
| Clone Designation          | [4F8]                                                                                    |
| UniProt                    | 3320                                                                                     |
| Buffer                     | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                          |
| Form                       | Liquid                                                                                   |
| Target                     | HSP90AA1                                                                                 |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA<br>Immunofluorescence (1:20-1:200)<br>Immunohistochemistry (1:50-1:200)<br>The optimal working dilution should be determined by the end user. |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
