## Product Datasheet

### **Nuclear Factor 1 A-Type (NFIA) Antibody, Unconjugated, Rabbit, Polyclonal ABX002326**

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Nuclear Factor 1 A-Type (NFIA) Antibody, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | ABX002326                                                                 |
| Supplier Catalog Number    | abx002326                                                                 |
| Alternative Catalog Number | ABX002326-60UL, ABX002326-120UL, ABX002326-200UL                          |
| Manufacturer               | Abbexa                                                                    |
| Host                       | Rabbit                                                                    |
| Category                   | Antikörper                                                                |
| Application                | WB                                                                        |
| Species Reactivity         | Human, Mouse                                                              |
| Immunogen                  | Recombinant fusion protein corresponding to human NFIA                    |
| Conjugation                | Unconjugated                                                              |
| Clonality                  | Polyclonal                                                                |
| Concentration              | 1 mg/ml                                                                   |
| Molecular Weight           | Calculated MW: 54 kDa/55 kDa/60 kDa Observed MW: 60 kDa                   |
| NCBI                       | <a href="#">4774</a>                                                      |
| UniProt                    | <a href="#">Q12857</a>                                                    |
| Buffer                     | PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol.                 |

|               |                                |
|---------------|--------------------------------|
| Form          | Liquid                         |
| Target        | Nuclear Factor 1 A-Type (NFIA) |
| Antibody Type | Primary Antibody               |
