| Category                   | Antikörper                                                                                                        |
| Application                | ELISA, WB                                                                                                         |
| Species Reactivity         | Human, Mouse                                                                                                      |
| Immunogen                  | Recombinant protein corresponding to RTRAF. The exact sequence is proprietary.                                    |
| Conjugation                | Unconjugated                                                                                                      |
| Clonality                  | Polyclonal                                                                                                        |
| Concentration              | > 0.2 mg/ml                                                                                                       |
| Molecular Weight           | Calculated MW: 28 kDa Observed MW: 25/28 kDa                                                                      |
| NCBI                       | <a href="#">51637</a>                                                                                             |
| UniProt                    | <a href="#">Q9Y224</a>                                                                                            |

|               |                                                                     |
|---------------|---------------------------------------------------------------------|
| Buffer        | PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol.           |
| Form          | Liquid                                                              |
| Target        | RNA Transcription, Translation And Transport Factor Protein (RTRAF) |
| Antibody Type | Primary Antibody                                                    |
