## Product Datasheet

### **MDS1 And EVI1 Complex Locus Protein EVI1 (MECOM) Antibody, Unconjugated, Rabbit, Polyclonal ABX004339**

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | MDS1 And EVI1 Complex Locus Protein EVI1 (MECOM) Antibody, Unconjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | ABX004339                                                                                   |
| Supplier Catalog Number    | abx004339                                                                                   |
| Alternative Catalog Number | ABX004339-20UL, ABX004339-100UL, ABX004339-2X100UL                                          |
| Manufacturer               | Abbexa                                                                                      |
| Host                       | Rabbit                                                                                      |
| Category                   | Antikörper                                                                                  |
| Application                | ELISA, WB                                                                                   |
| Species Reactivity         | Human, Rat                                                                                  |
| Immunogen                  | Recombinant protein corresponding to MECOM. The exact sequence is proprietary.              |
| Conjugation                | Unconjugated                                                                                |
| Clonality                  | Polyclonal                                                                                  |
| Concentration              | > 0.2 mg/ml                                                                                 |
| Molecular Weight           | Calculated MW: 18/117/118/125/139 kDa Observed MW: 105/145 kDa                              |
| NCBI                       | <a href="#">2122</a>                                                                        |
| UniProt                    | <a href="#">Q03112</a>                                                                      |

|               |                                                          |
|---------------|----------------------------------------------------------|
| Buffer        | PBS, pH 7.3, containing 0.05% Proclin-300, 50% glycerol. |
| Form          | Liquid                                                   |
| Target        | MDS1 And EVI1 Complex Locus Protein EVI1 (MECOM)         |
| Antibody Type | Primary Antibody                                         |
