## Product Datasheet

### Human Sodium-Dependent Noradrenaline Transporter (SLC6A2) Protein, Unconjugated, E. coli ABX654577

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Article Name               | Human Sodium-Dependent Noradrenaline Transporter (SLC6A2) Protein, Unconjugated, E. coli           |
| Biozol Catalog Number      | ABX654577                                                                                          |
| Supplier Catalog Number    | abx654577                                                                                          |
| Alternative Catalog Number | ABX654577-10UG, ABX654577-50UG, ABX654577-100UG, ABX654577-200UG, ABX654577-500UG                  |
| Manufacturer               | Abbexa                                                                                             |
| Host                       | E. coli                                                                                            |
| Category                   | Proteine/Peptide                                                                                   |
| Application                | SDS-PAGE, WB                                                                                       |
| Conjugation                | Unconjugated                                                                                       |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                 |
| Molecular Weight           | Calculated MW: 18.7 kDa Observed MW (SDS-PAGE): 19 kDa                                             |
| UniProt                    | <a href="#">P23975</a>                                                                             |
| Buffer                     | Prior to lyophilization: 20 mM Tris, 150 mM NaCl, pH 8.0, containing 0.01% Sarcosyl, 5% Trehalose. |
| Expression System          | Recombinant                                                                                        |
| Purity                     | > 90%                                                                                              |
| Form                       | Lyophilized                                                                                        |

|        |                                                     |
|--------|-----------------------------------------------------|
| Target | Sodium-Dependent Noradrenaline Transporter (SLC6A2) |
|--------|-----------------------------------------------------|
