| Article Name               | Anti-IRBIT/AHCYL1 Antibody Picoband (monoclonal, 2E7D9) Fluoro594 Conjugated, IgG1, Clone: [Clone: 2E7D9], Mouse, Monoclonal |
| Biozol Catalog Number      | BOB-M08908-FLUORO594                                                                                                         |
| Supplier Catalog Number    | M08908-Fluoro594                                                                                                             |
| Alternative Catalog Number | BOB-M08908-FLUORO594-100UG                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                   |
| Host                       | Mouse                                                                                                                        |
| Category                   | Antikörper                                                                                                                   |
| Application                | FC                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                            |
| Immunogen                  | E.coli-derived human IRBIT/AHCYL1 recombinant protein (Position: E14-K57).                                                   |
| Clonality                  | Monoclonal                                                                                                                   |
| Clone Designation          | [Clone: 2E7D9]                                                                                                               |
| Isotype                    | IgG1                                                                                                                         |
| NCBI                       | <a href="#">10768</a>                                                                                                        |
| UniProt                    | <a href="#">O43865</a>                                                                                                       |

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity             | Immunogen affinity purified.                                                                                 |
| Form               | Liquid                                                                                                       |
| Target             | S-adenosylhomocysteine hydrolase-like protein 1                                                              |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users.                                         |
