| Article Name               | Anti-CD2/CD2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | BOB-PA1743-FLUORO647                                                                                                                           |
| Supplier Catalog Number    | PA1743-Fluoro647                                                                                                                               |
| Alternative Catalog Number | BOB-PA1743-FLUORO647-100UG                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                     |
| Application                | FC                                                                                                                                             |
| Species Reactivity         | Mouse, Rat                                                                                                                                     |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of mouse CD2, different from the related rat sequence by two amino acids. |
| Clonality                  | Polyclonal                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 38415 MW                                                                                                          |
| NCBI                       | <a href="#">914</a>                                                                                                                            |
| UniProt                    | <a href="#">P08920</a>                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                    |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | T-cell surface antigen CD2                                           |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
