| Article Name               | Anti-Phospholipid transfer protein PLTP Antibody Picoband PE<br>Conjugated, Rabbit, Polyclonal                  |
| Biozol Catalog Number      | BOB-PA2228-PE                                                                                                   |
| Supplier Catalog Number    | PA2228-PE                                                                                                       |
| Alternative Catalog Number | BOB-PA2228-PE-100UG                                                                                             |
| Manufacturer               | Boster Bio                                                                                                      |
| Host                       | Rabbit                                                                                                          |
| Category                   | Antikörper                                                                                                      |
| Application                | FC                                                                                                              |
| Species Reactivity         | Human                                                                                                           |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle<br>region of human PLTP.                          |
| Clonality                  | Polyclonal                                                                                                      |
| Molecular Weight           | Calculated Molecular Weight: 54739 MW                                                                           |
| NCBI                       | <a href="#">5360</a>                                                                                            |
| UniProt                    | <a href="#">P55058</a>                                                                                          |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02%<br>NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                    |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Phospholipid transfer protein                                        |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
