| Article Name               | Anti-Glucose 6 phosphate isomerase/GPI Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                                                       |
| Biozol Catalog Number      | BOB-PB10069-FLUORO647                                                                                                                                                                                   |
| Supplier Catalog Number    | PB10069-Fluoro647                                                                                                                                                                                       |
| Alternative Catalog Number | BOB-PB10069-FLUORO647-100UG                                                                                                                                                                             |
| Manufacturer               | Boster Bio                                                                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                                                                              |
| Application                | FC                                                                                                                                                                                                      |
| Species Reactivity         | Mouse                                                                                                                                                                                                   |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of mouse GPI, different from the related human sequence by sixteen amino acids, and from the related rat sequence by two amino acids. |
| Clonality                  | Polyclonal                                                                                                                                                                                              |
| Molecular Weight           | Calculated Molecular Weight: 62767 MW                                                                                                                                                                   |
| NCBI                       | <a href="#">14751</a>                                                                                                                                                                                   |
| UniProt                    | <a href="#">P06745</a>                                                                                                                                                                                  |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                             |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | Glucose-6-phosphate isomerase                                        |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
