## Product Datasheet

### Anti-MPP1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-PB10078-BIOTIN

|                            |                                                                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-MPP1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                             |
| Biozol Catalog Number      | BOB-PB10078-BIOTIN                                                                                                                            |
| Supplier Catalog Number    | PB10078-Biotin                                                                                                                                |
| Alternative Catalog Number | BOB-PB10078-BIOTIN-100UG                                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                    |
| Application                | ELISA, IHC, WB                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                             |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human MPP1, different from the related mouse sequence by one amino acid. |
| Clonality                  | Polyclonal                                                                                                                                    |
| Molecular Weight           | Calculated Molecular Weight: 52296 MW                                                                                                         |
| NCBI                       | <a href="#">4354</a>                                                                                                                          |
| UniProt                    | <a href="#">Q00013</a>                                                                                                                        |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                   |
| Purity                     | Immunogen affinity purified.                                                                                                                  |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                |
| Target             | 55 kDa erythrocyte membrane protein                                                                                                                                                                                                   |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
