| Article Name               | Anti-CNTF Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                                       |
| Biozol Catalog Number      | BOB-PB9032-FLUORO550                                                                                                                                                       |
| Supplier Catalog Number    | PB9032-Fluoro550                                                                                                                                                           |
| Alternative Catalog Number | BOB-PB9032-FLUORO550-100UG                                                                                                                                                 |
| Manufacturer               | Boster Bio                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                 |
| Application                | FC                                                                                                                                                                         |
| Species Reactivity         | Mouse, Rat                                                                                                                                                                 |
| Immunogen                  | E.coli-derived mouse CNTF recombinant protein (Position: A2-M198). Mouse CNTF shares 83% and 95% amino acid (aa) sequences identity with human and rat CNTF, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                 |
| Molecular Weight           | Calculated Molecular Weight: 22587 MW                                                                                                                                      |
| NCBI                       | <a href="#">12803</a>                                                                                                                                                      |
| UniProt                    | <a href="#">P51642</a>                                                                                                                                                     |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                |
| Purity                     | Immunogen affinity purified.                                                                                                                                               |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Ciliary neurotrophic factor                                          |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
