| Article Name               | Anti-CD31/PECAM1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                      |
| Biozol Catalog Number      | BOB-PB9094-FITC                                                                                                                                                             |
| Supplier Catalog Number    | PB9094-FITC                                                                                                                                                                 |
| Alternative Catalog Number | BOB-PB9094-FITC-100UG                                                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                                  |
| Application                | FC                                                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                                       |
| Immunogen                  | E.coli-derived human CD31 recombinant protein (Position: Q28-G382). Human CD31 shares 65% and 68% amino acid (aa) sequences identity with mouse and rat CD31, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 82536 MW                                                                                                                                       |
| NCBI                       | <a href="#">5175</a>                                                                                                                                                        |
| UniProt                    | <a href="#">P16284</a>                                                                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                 |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | Platelet endothelial cell adhesion molecule                          |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
