| Article Name               | Anti-MSK1/RPS6KA5 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | BOB-PB9268-APC                                                                                                                                |
| Supplier Catalog Number    | PB9268-APC                                                                                                                                    |
| Alternative Catalog Number | BOB-PB9268-APC-100UG                                                                                                                          |
| Manufacturer               | Boster Bio                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                    |
| Application                | FC                                                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                             |
| Immunogen                  | E.coli-derived human MSK1 recombinant protein (Position: V540-Q665). Human MSK1 shares 98% amino acid (aa) sequence identity with mouse MSK1. |
| Clonality                  | Polyclonal                                                                                                                                    |
| Molecular Weight           | Calculated Molecular Weight: 89865 MW                                                                                                         |
| NCBI                       | <a href="#">9252</a>                                                                                                                          |
| UniProt                    | <a href="#">O75582</a>                                                                                                                        |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                   |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | Ribosomal protein S6 kinase alpha-5                                  |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
