| Article Name               | Anti-TRPC5 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                  |
| Biozol Catalog Number      | BOB-PB9271-APC                                                                                                                                   |
| Supplier Catalog Number    | PB9271-APC                                                                                                                                       |
| Alternative Catalog Number | BOB-PB9271-APC-100UG                                                                                                                             |
| Manufacturer               | Boster Bio                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                       |
| Application                | FC                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                            |
| Immunogen                  | E.coli-derived human TRPC5 recombinant protein (Position: K684-L973). Human TRPC5 shares 90% amino acid (aa) sequence identity with mouse TRPC5. |
| Clonality                  | Polyclonal                                                                                                                                       |
| Molecular Weight           | Calculated Molecular Weight: 111412 MW                                                                                                           |
| NCBI                       | <a href="#">7224</a>                                                                                                                             |
| UniProt                    | <a href="#">Q9UL62</a>                                                                                                                           |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |
| Purity                     | Immunogen affinity purified.                                                                                                                     |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Short transient receptor potential channel 5                         |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
