## Product Datasheet

### Anti-Von Willebrand Factor/VWF Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-PB9273-BIOTIN

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Von Willebrand Factor/VWF Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                      |
| Biozol Catalog Number      | BOB-PB9273-BIOTIN                                                                                           |
| Supplier Catalog Number    | PB9273-Biotin                                                                                               |
| Alternative Catalog Number | BOB-PB9273-BIOTIN-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | ELISA, IHC, WB                                                                                              |
| Species Reactivity         | Mouse, Rat                                                                                                  |
| Immunogen                  | E.coli-derived mouse VWF recombinant protein (Position: M1304-E1452).                                       |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 309269 MW                                                                      |
| NCBI                       | <a href="#">22371</a>                                                                                       |
| UniProt                    | <a href="#">Q8CIZ8</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                |
| Target             | von Willebrand factor                                                                                                                                                                                                                 |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
