| Alternative Catalog Number | BOB-PB9831-PE-100UG                                                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                                         |
| Application                | FC                                                                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                  |
| Immunogen                  | E. coli-derived human TIMP3 recombinant protein (Position: C24-P211). Human TIMP3 shares 97.9% and 97.3% amino acid (aa) sequence identity with mouse and rat TIMP3, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 24145 MW                                                                                                                                              |
| NCBI                       | <a href="#">7078</a>                                                                                                                                                               |
| UniProt                    | <a href="#">P35625</a>                                                                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                        |
| Purity                     | Immunogen affinity purified.                                                                                                                                                       |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Metalloproteinase inhibitor 3                                        |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
