| Article Name               | Anti-PTEN Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                               |
| Biozol Catalog Number      | BOB-A00006-4-FITC                                                                                                                                                             |
| Supplier Catalog Number    | A00006-4-FITC                                                                                                                                                                 |
| Alternative Catalog Number | BOB-A00006-4-FITC-100UG                                                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                    |
| Application                | FC                                                                                                                                                                            |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                                                                                     |
| Immunogen                  | E.coli-derived human PTEN recombinant protein (Position: D22-E394). Human PTEN shares 100% and 99.7% amino acid (aa) sequence identity with mouse and rat PTEN, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                    |
| NCBI                       | <a href="#">5728</a>                                                                                                                                                          |
| UniProt                    | <a href="#">P60484</a>                                                                                                                                                        |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                   |
| Purity                     | Immunogen affinity purified.                                                                                                                                                  |
| Form                       | Liquid                                                                                                                                                                        |

|                    |                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------|
| Target             | Phosphatidylinositol 3,4,5-trisphosphate 3-phosphatase and dual-specificity protein phosphatase PTEN |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users.                                 |
