| Article Name               | Anti-Vinculin/VCL Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                              |
| Biozol Catalog Number      | BOB-A01207-FLUORO594                                                                                                                                                      |
| Supplier Catalog Number    | A01207-Fluoro594                                                                                                                                                          |
| Alternative Catalog Number | BOB-A01207-FLUORO594-100UG                                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                                                |
| Application                | FC                                                                                                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                         |
| Immunogen                  | E.coli-derived human Vinculin recombinant protein (Position: E930-Q1134). Human Vinculin shares 87.7% amino acid (aa) sequence identity with both mouse and rat Vinculin. |
| Clonality                  | Polyclonal                                                                                                                                                                |
| Molecular Weight           | Calculated Molecular Weight: 124 kDa                                                                                                                                      |
| NCBI                       | <a href="#">7414</a>                                                                                                                                                      |
| UniProt                    | <a href="#">P18206</a>                                                                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                               |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | Vinculin                                                             |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
