### Anti-Beta Tubulin/TUBB Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-A01857-1-APC

|                            |                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Beta Tubulin/TUBB Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                |
| Biozol Catalog Number      | BOB-A01857-1-APC                                                                                                                           |
| Supplier Catalog Number    | A01857-1-APC                                                                                                                               |
| Alternative Catalog Number | BOB-A01857-1-APC-100UG                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                 |
| Application                | FC                                                                                                                                         |
| Species Reactivity         | Gallus, Human, Monkey, Mouse, Rat                                                                                                          |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Beta Tubulin, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                                 |
| Molecular Weight           | Calculated Molecular Weight: 50433 MW                                                                                                      |
| NCBI                       | <a href="#">203068</a>                                                                                                                     |
| UniProt                    | <a href="#">P07437</a>                                                                                                                     |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                               |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                         |
| Form               | Liquid                                                               |
| Target             | Tubulin beta chain                                                   |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
