| Article Name               | Anti-PKIB Antibody Biotin Conjugated, Rabbit, Polyclonal                                                     |
| Biozol Catalog Number      | BOB-A12582-3-BIOTIN                                                                                          |
| Supplier Catalog Number    | A12582-3-Biotin                                                                                              |
| Alternative Catalog Number | BOB-A12582-3-BIOTIN-100UG                                                                                    |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Application                | ELISA, IHC, WB                                                                                               |
| Species Reactivity         | Human                                                                                                        |
| Immunogen                  | E.coli-derived human PKIB recombinant protein (Position: M1-K78).                                            |
| Clonality                  | Polyclonal                                                                                                   |
| NCBI                       | <a href="#">5570</a>                                                                                         |
| UniProt                    | <a href="#">Q9C010</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N. |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |
| Target                     | cAMP-dependent protein kinase inhibitor beta                                                                 |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
