## Product Datasheet

**Anti-Zebrafish NFkB1 p105/NFkB1 Antibody Picoband Fluoro488**  
**Conjugated, Rabbit, Polyclonal**  
**BOB-AZA0A8M9QGX8-FLUORO488**

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish NFKB1 p105/NFKB1 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | BOB-AZA0A8M9QGX8-FLUORO488                                                                 |
| Supplier Catalog Number    | AZA0A8M9QGX8-Fluoro488                                                                     |
| Alternative Catalog Number | BOB-AZA0A8M9QGX8-FLUORO488-100UG                                                           |
| Manufacturer               | Boster Bio                                                                                 |
| Host                       | Rabbit                                                                                     |
| Category                   | Antikörper                                                                                 |
| Species Reactivity         | Zebrafish                                                                                  |
| Immunogen                  | E.coli-derived Zebrafish NFKB1 recombinant protein (Position: E10-K364).                   |
| Clonality                  | Polyclonal                                                                                 |
| NCBI                       | <a href="#">565756</a>                                                                     |
| UniProt                    | <a href="#">A0A8M9QGX8</a>                                                                 |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na2HPO4, 0.02% NaN3.                      |
| Purity                     | Immunogen affinity purified.                                                               |
| Form                       | Liquid                                                                                     |
| Target                     | Nuclear factor NF-kappa-B p105 subunit isoform X2                                          |
