## Product Datasheet

### General Corticosterone (Cort) ELISA Kit BYT-ORB1806539

Article Name	General Corticosterone (Cort) ELISA Kit
Biozol Catalog Number	BYT-ORB1806539
Supplier Catalog Number	orb1806539
Alternative Catalog Number	BYT-ORB1806539-48,BYT-ORB1806539-96
Manufacturer	Biorbyt
Category	Kits/Assays
Species Reactivity	All
Product Description	General Corticosterone (Cort) ELISA Kit...
Range	1.57-100ng/mL
Sensitivity	0.51 ng/mL
Samples	serum, plasma, urine and other biological fluids
Target	Cort

Application Notes

Application Notes: This assay employs the competitive inhibition enzyme immunoassay technique. The microtiter plate provided in this kit has been pre-coated with Corticosterone(Cort) protein. Standards or samples are added to the appropriate microtiter plate wells then with a biotin-conjugated antibody specific to Corticosterone(Cort). Next, Avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. After TMB substrate solution is added. The enzyme-substrate reaction is terminated by the addition of sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450nm 10nm. The concentration of Corticosterone(Cort) in the samples is then determined by comparing the OD of the samples to the standard curve
