| Host                       | Mouse                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                   |
| Application                | ELISA, WB                                                                                                                                                    |
| Species Reactivity         | Virus                                                                                                                                                        |
| Immunogen                  | Recombinant Canine parvovirus Capsid protein VP2 Fragment C-terminal                                                                                         |
| Conjugation                | Biotin                                                                                                                                                       |
| Product Description        | The CPV VP2 Mouse monoclonal antibody (Biotin) is a Biotin conjugated monoclonal antibody suitable for ELISA, WB. This product reacts with Virus samples.... |
| Clonality                  | Monoclonal                                                                                                                                                   |
| Concentration              | 1mg/ml                                                                                                                                                       |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                       |
| Target                     | CPV-2                                                                                                                                                        |

|                    |                                    |
|--------------------|------------------------------------|
| Application Dilute | WB=1:1000-5000, ELISA=1:5000-10000 |
