| Manufacturer               | Biorbyt                                                                                                                |
| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Application                | ELISA                                                                                                                  |
| Species Reactivity         | Other                                                                                                                  |
| Immunogen                  | SARS-CoV-2 nucleoprotein (NP) specific peptide                                                                         |
| Conjugation                | Unconjugated                                                                                                           |
| Product Description        | SARS-CoV-2 NP (85E9) rabbit mAb for immunoassay. Biorbyt creates robustly validated, high quality recombinant mAbs.... |
| Clonality                  | Monoclonal                                                                                                             |
| Concentration              | 0.5 mg/mL                                                                                                              |
| Clone Designation          | [85E9]                                                                                                                 |
| UniProt                    | <a href="#">P0DTC9</a>                                                                                                 |

|                    |                                                                                                                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 1X PBS, 0.02% NaN3, 50% Glycerol, 0.1% rAlbumin                                                                                                                                           |
| Form               | Liquid                                                                                                                                                                                    |
| Application Dilute | Used for specific, high-sensitivity detection of SARS-CoV-2 nucleocapsid protein (NP) in immunoassay. Can be paired with other NP-specific clones for detection in sandwich ELISA format. |
