| Manufacturer               | Biorbyt                                                                    |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | IHC-P, WB                                                                  |
| Species Reactivity         | Human, Mouse                                                               |
| Immunogen                  | Synthetic Peptide                                                          |
| Conjugation                | Unconjugated                                                               |
| Product Description        | Purified rabbit polyclonal antibody....                                    |
| Clonality                  | Polyclonal                                                                 |
| Clone Designation          | [RB18218]                                                                  |
| Molecular Weight           | 71979                                                                      |
| NCBI                       | <a href="#">005503</a>                                                     |

|                    |                                                                                                                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Pubmed             | <a href="https://pubmed.ncbi.nlm.nih.gov/34421887" rel="nofollow" target="_blank">34421887</a>                                                                                            |
| UniProt            | <a href="#">Q14392</a>                                                                                                                                                                    |
| Form               | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is prepared by Saturated Ammonium Sulfate (SAS) precipitation followed by dialysis against PBS. |
| Target             | LRRC32                                                                                                                                                                                    |
| Application Dilute | WB: 1:1000, IHC-P: 1:10-50                                                                                                                                                                |
