| Alternative Catalog Number | BYT-ORB2616800-100                                                                                                                                                                            |
| Manufacturer               | Biorbyt                                                                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                    |
| Application                | ELISA, IHC, WB                                                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                             |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of human CNPase, identical to the related mouse sequence, and different from the related rat sequence by one amino acid. |
| Conjugation                | Biotin                                                                                                                                                                                        |
| Product Description        | Anti-CNPase Antibody. Tested in WB applications. This antibody reacts with Human, Mouse, Rat....                                                                                              |
| Clonality                  | Polyclonal                                                                                                                                                                                    |
| Molecular Weight           | 47579 Da                                                                                                                                                                                      |
| UniProt                    | <a href="#">P09543</a>                                                                                                                                                                        |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                   |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                |
| Target             | 2,3-cyclic-nucleotide 3-phosphodiesterase                                                                                                                                                                                             |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
