## Product Datasheet

### Human Tenomodulin (TNMD) ELISA Kit BYT-ORB3145919

Article Name	Human Tenomodulin (TNMD) ELISA Kit
Biozol Catalog Number	BYT-ORB3145919
Supplier Catalog Number	orb3145919
Alternative Catalog Number	BYT-ORB3145919-48, BYT-ORB3145919-5, BYT-ORB3145919-50, BYT-ORB3145919-96
Manufacturer	Biorbyt
Category	Kits/Assays
Application	ELISA
Species Reactivity	Human
Product Description	This Human Tenomodulin (TNMD) ELISA Kit employs a two-site sandwich ELISA to quantitate TNMD....
Range	Please inquire
Sensitivity	Please inquire
Samples	Cell culture supernatantsSerumPlasmaOther biological fluids

Application Notes

Application Notes: This Human Tenomodulin (TNMD) ELISA Kit employs a two-site sandwich ELISA to quantitate TNMD in samples. An antibody specific for TNMD has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and any TNMD present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for TNMD is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of TNMD bound in the initial step. The color development is stopped and the intensity of the color is measured
