| Species Reactivity         | Mouse, Rat                                                                                                                                                               |
| Immunogen                  | KLH conjugated synthetic peptide derived from human ENT2 (221-320/456aa)                                                                                                 |
| Conjugation                | BF700                                                                                                                                                                    |
| Product Description        | ENT2 Rabbit pAb, BF700 conjugated is a BF700 conjugated antibody targeting SLC29A2. This antibody is suitable for IF. It exhibits reactivity with Mouse, Rat samples.... |
| Clonality                  | Polyclonal                                                                                                                                                               |
| Concentration              | 1mg/ml                                                                                                                                                                   |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                   |
| Target                     | SLC29A2                                                                                                                                                                  |

Application Dilute

IF=1:100-500
