Product Datasheet

Mouse VAP-1(VascularAdhesion Protein 1) Microsample ELISA Kit BYT-ORB2997292

Article Name	Mouse VAP-1(VascularAdhesion Protein 1) Microsample ELISA Kit
Biozol Catalog Number	BYT-ORB2997292
Supplier Catalog Number	orb2997292
Alternative Catalog Number	BYT-ORB2997292-48,BYT-ORB2997292-96
Manufacturer	Biorbyt
Category	Kits/Assays
Species Reactivity	Mouse
Product Description	Mouse VAP-1(VascularAdhesion Protein 1) Microsample ELISA Kit...
Range	0.16-10 ng/mL
Sensitivity	0.1 ng/mL
UniProt	O70423
Samples	serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids

Application Notes

Application Notes: The test principle applied in this kit is Sandwich enzyme immunoassay. The microtiter plate provided in this kit has been pre-coated with an antibody specific to Mouse VAP-1. Standards or samples are added to the appropriate microtiter plate wells then with a biotin-conjugated antibody specific to Mouse VAP-1. Next, Avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. After TMB substrate solution is added, only those wells that contain Mouse VAP-1, biotin-conjugated antibody and enzyme-conjugated Avidin will exhibit a change in color. The enzyme-substrate reaction is terminated by the addition of sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450nm 10nm. The concentration of Mouse VAP-1 in the samples is then determined by comparing the OD of the samples to the standard curve
