| Alternative Catalog Number | BYT-ORB1151786-20,BYT-ORB1151786-100                                              |
| Manufacturer               | Biorbyt                                                                           |
| Host                       | Mouse                                                                             |
| Category                   | Antikörper                                                                        |
| Application                | IHC-P, WB                                                                         |
| Species Reactivity         | Human                                                                             |
| Immunogen                  | A portion of amino acids 393-508 was used as the immunogen for the SOX9 antibody. |
| Conjugation                | Unconjugated                                                                      |
| Product Description        | Mouse monoclonal antibody to SOX9...                                              |
| Clonality                  | Monoclonal                                                                        |
| Clone Designation          | [SOX9/2387]                                                                       |
| UniProt                    | <a href="#">P48436</a>                                                            |
| Buffer                     | 0.2 mg/ml in 1X PBS with 0.1 mg/ml rAlbumin, 0.05% sodium azide                   |
| Application Dilute         | Western blot: 1-2ug/ml,Immunohistochemistry (FFPE): 1-2ug/ml                      |

#### Application Notes

Application Notes: Optimal dilution of the SOX9 antibody should be determined by the researcher
