### SARS-CoV-2 (COVID-19) S Protein HR1 Recombinant Protein BYT-ORB1228230

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | SARS-CoV-2 (COVID-19) S Protein HR1 Recombinant Protein                                              |
| Biozol Catalog Number      | BYT-ORB1228230                                                                                       |
| Supplier Catalog Number    | orb1228230                                                                                           |
| Alternative Catalog Number | BYT-ORB1228230-0.05                                                                                  |
| Manufacturer               | Biorbyt                                                                                              |
| Category                   | Proteine/Peptide                                                                                     |
| Product Description        | SARS-CoV-2 (COVID-19) S Protein HR1 Recombinant Protein...                                           |
| Molecular Weight           | 8.4kDa, 8kDa                                                                                         |
| NCBI                       | <a href="#">43416</a>                                                                                |
| Buffer                     | Supplied as a 0.2 uM filtered solution of PBS, pH 7.4                                                |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.                                                 |
| Form                       | Liquid                                                                                               |
| Sequence                   | Gly910-Glu988                                                                                        |
| Target                     | S                                                                                                    |
| Application Notes          | Application Notes: This recombinant protein can be used for biological assays. For research use only |
