| Article Name               | DROSHA Rabbit Polyclonal Antibody (Fluoro647)                                                               |
| Biozol Catalog Number      | BYT-ORB3120054                                                                                              |
| Supplier Catalog Number    | orb3120054                                                                                                  |
| Alternative Catalog Number | BYT-ORB3120054-100                                                                                          |
| Manufacturer               | Biorbyt                                                                                                     |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Mouse                                                                                                |
| Immunogen                  | E.coli-derived human DROSHA recombinant protein (Position: E670-H903).                                      |
| Conjugation                | Fluoro647                                                                                                   |
| Product Description        | DROSHA Rabbit Polyclonal Antibody (Fluoro647)...                                                            |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | 33275 Da                                                                                                    |
| UniProt                    | <a href="#">Q9NRR4</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Form                       | Liquid                                                                                                      |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | Ribonuclease 3                                                       |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
