### Human VEGF165 Protein, Unconjugated BYT-ORB257923

|                            |                                                                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Human VEGF165 Protein, Unconjugated                                                                                               |
| Biozol Catalog Number      | BYT-ORB257923                                                                                                                     |
| Supplier Catalog Number    | orb257923                                                                                                                         |
| Alternative Catalog Number | BYT-ORB257923-20,BYT-ORB257923-50,BYT-ORB257923-1                                                                                 |
| Manufacturer               | Biorbyt                                                                                                                           |
| Category                   | Proteine/Peptide                                                                                                                  |
| Species Reactivity         | Human                                                                                                                             |
| Conjugation                | Unconjugated                                                                                                                      |
| Product Description        | Human VEGF165, premium grade is expressed from human 293 cells (HEK293). It contains AA Ala 27 - Arg 191 (Accession P15692-4).... |
| Molecular Weight           | 19.2 kDa                                                                                                                          |
| NCBI                       | <a href="#">15692</a>                                                                                                             |
| UniProt                    | <a href="#">P15692</a>                                                                                                            |
| Buffer                     | PBS, pH 7.4                                                                                                                       |
| Purity                     | 95%                                                                                                                               |
| Form                       | Powder                                                                                                                            |
| Target                     | VEGF165                                                                                                                           |

|                   |                                                                                                                                                                                                                                                              |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | Application Notes: This protein carries no tag. The protein has a calculated MW of 19.2 kDa. The protein migrates as 24 kDa3 kDa when calibrated against Star Ribbon Pre-stained Protein Marker under reducing (R) condition (SDS-PAGE) due to glycosylation |
