| Species Reactivity         | Human, Mouse                                                                                                                                                                                       |
| Immunogen                  | KLH conjugated synthetic peptide derived from human ABI3 (151-250/366aa)                                                                                                                           |
| Conjugation                | Biotin                                                                                                                                                                                             |
| Product Description        | ABI3 Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting ABI3. This antibody is suitable for IF, IHC-Fr, IHC-P, WB. It exhibits reactivity with Human, Mouse samples.... |
| Clonality                  | Polyclonal                                                                                                                                                                                         |
| Concentration              | 1mg/ml                                                                                                                                                                                             |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                             |
| Target                     | ABI3                                                                                                                                                                                               |

Application Dilute

IHC-P=1:100-500, IHC-F=1:100-500, IF=1:100-500, WB=1000-10000
