| Category                   | Antikörper                                                                                                                                                 |
| Application                | ELISA, ICC, IF, IHC-Fr, IHC-P                                                                                                                              |
| Immunogen                  | KLH conjugated synthetic peptide derived from human DNAH9 (3001-3200/4486aa)                                                                               |
| Conjugation                | Biotin                                                                                                                                                     |
| Product Description        | DNAH9 Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting DNAH9. This antibody is suitable for ELISA, ICC, IF, IHC-Fr, IHC-P.... |
| Clonality                  | Polyclonal                                                                                                                                                 |
| Concentration              | 1mg/ml                                                                                                                                                     |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                     |
| Target                     | DNAH9                                                                                                                                                      |

Application Dilute

IHC-P=1:100-500, IHC-F=1:100-500, ICC/IF=1:50-200, IF=1:100-500,  
ELISA=1:500-5000
