| Species Reactivity         | Human                                                                                                                                                                             |
| Immunogen                  | KLH conjugated synthetic peptide derived from human TRIM64 (101-200/449aa)                                                                                                        |
| Conjugation                | HRP                                                                                                                                                                               |
| Product Description        | TRIM64 Rabbit Polyclonal Antibody (HRP) is a HRP conjugated antibody targeting TRIM64. This antibody is suitable for IHC-Fr, IHC-P. It exhibits reactivity with Human samples.... |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| Concentration              | 1mg/ml                                                                                                                                                                            |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                            |
| Target                     | TRIM64                                                                                                                                                                            |
