## Product Datasheet

### DPCD Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB1275338

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | DPCD Antibody, Unconjugated, Rabbit, Polyclonal                                              |
| Biozol Catalog Number      | BYT-ORB1275338                                                                               |
| Supplier Catalog Number    | orb1275338                                                                                   |
| Alternative Catalog Number | BYT-ORB1275338-100                                                                           |
| Manufacturer               | Biorbyt                                                                                      |
| Host                       | Rabbit                                                                                       |
| Category                   | Antikörper                                                                                   |
| Application                | IHC                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                            |
| Immunogen                  | Synthetic peptide of human DPCD                                                              |
| Conjugation                | Unconjugated                                                                                 |
| Product Description        | Rabbit polyclonal antibody to DPCD...                                                        |
| Clonality                  | Polyclonal                                                                                   |
| Concentration              | Approximately 1mg/ml (varies from batch to batch). Please inquire for precise concentration. |
| NCBI                       | <a href="#">056263</a>                                                                       |
| UniProt                    | <a href="#">Q9BVM2</a>                                                                       |
| Buffer                     | Purified antibody in PBS with 0.05% sodium azide and 50% glycerol.                           |
| Target                     | DPCD                                                                                         |

Application Dilute

IHC: 1/50-1/100, ELISA: 1/5000-1/10000
