| Manufacturer               | Biorbyt                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                               |
| Application                | IF, IHC-Fr, IHC-P, WB                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                  | Synthetic peptide / encompassing a sequence within the C-terminus region.                                                                                |
| Conjugation                | Unconjugated                                                                                                                                             |
| Product Description        | Rabbit polyclonal antibody to GFAP...                                                                                                                    |
| Clonality                  | Polyclonal                                                                                                                                               |
| Buffer                     | 100mM Tris Glycine, 1% rAlbumin, 20% Glycerol (pH7). 0.025% ProClin 300 was added as a preservative                                                      |
| Target                     | GFAP                                                                                                                                                     |
| Application Dilute         | Western Blot 1:1000-1:2000, Immunofluorescence 1:200 - 1:500, Immunohistochemistry (Frozen) 1:100 - 1:300, Immunohistochemistry (Paraffin) 1:100 - 1:300 |
