| Article Name               | PDE6 beta/PDE6B Rabbit Polyclonal Antibody, Unconjugated                                                                                       |
| Biozol Catalog Number      | BYT-ORB654456                                                                                                                                  |
| Supplier Catalog Number    | orb654456                                                                                                                                      |
| Alternative Catalog Number | BYT-ORB654456-100                                                                                                                              |
| Manufacturer               | Biorbyt                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                     |
| Application                | ELISA, FC, ICC, IF, IHC, WB                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                              |
| Immunogen                  | E.coli-derived human PDE6 beta/PDE6B recombinant protein (Position: K25-Q237).                                                                 |
| Conjugation                | Unconjugated                                                                                                                                   |
| Product Description        | Anti-PDE6 beta/PDE6B Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                                     |
| Concentration              | 500 µg/ml                                                                                                                                      |
| Molecular Weight           | 98 kDa                                                                                                                                         |
| UniProt                    | <a href="#">P35913</a>                                                                                                                         |

|                    |                                                                                                                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.01mg NaN <sub>3</sub> .                                                                                                                                      |
| Form               | Lyophilized                                                                                                                                                                                                                                           |
| Target             | Rod cGMP-specific 3,5-cyclic phosphodiesterase subunit beta                                                                                                                                                                                           |
| Application Dilute | Western blot, 0.1-0.25µg/ml, Mouse, Rat Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human Immunocytochemistry/Immunofluorescence, 4µg/ml, Human Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5µg/ml, - |
