| Article Name               | OTULIN Rabbit Polyclonal Antibody, Unconjugated                                                                                       |
| Biozol Catalog Number      | BYT-ORB670317                                                                                                                         |
| Supplier Catalog Number    | orb670317                                                                                                                             |
| Alternative Catalog Number | BYT-ORB670317-100                                                                                                                     |
| Manufacturer               | Biorbyt                                                                                                                               |
| Host                       | Rabbit                                                                                                                                |
| Category                   | Antikörper                                                                                                                            |
| Application                | ELISA, FC, ICC, IF, IHC, WB                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                     |
| Immunogen                  | E.coli-derived human OTULIN recombinant protein (Position: A49-L352).                                                                 |
| Conjugation                | Unconjugated                                                                                                                          |
| Product Description        | Anti-OTULIN Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                            |
| Concentration              | 500 µg/ml                                                                                                                             |
| Molecular Weight           | 43-45 kDa                                                                                                                             |
| UniProt                    | <a href="#">Q96BN8</a>                                                                                                                |

|                    |                                                                                                                                                                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.01mg NaN <sub>3</sub> .                                                                                                                                                       |
| Form               | Lyophilized                                                                                                                                                                                                                                                            |
| Target             | Ubiquitin thioesterase otulin                                                                                                                                                                                                                                          |
| Application Dilute | Western blot, 0.1-0.25µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml,<br>Human Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human<br>Immunocytochemistry/Immunofluorescence, 5µg/ml, Human ELISA,<br>0.1-0.5µg/ml, - |
