### Rat Obestatin (OB) ELISA Kit BYT-ORB781525

Article Name	Rat Obestatin (OB) ELISA Kit
Biozol Catalog Number	BYT-ORB781525
Supplier Catalog Number	orb781525
Alternative Catalog Number	BYT-ORB781525-48, BYT-ORB781525-96
Manufacturer	Biorbyt
Category	Kits/Assays
Application	ELISA
Species Reactivity	Rat
Product Description	This assay employs the competitive inhibition enzyme immunoassay technique. The microtiter plate provided in this kit has been pre-coated with Obestatin(OB) protein. Standards or samples are added to the appropriate microtiter plate wells then with a...
Concentration	5000 pg/mL
Range	78.13-5000 pg/mL
Sensitivity	24.5 pg/mL
Samples	serum, plasma, cell lysates, cell culture supernates and other biological fluids

Application Notes

Application Notes: standard: 5000 pg/mL. Test principle: This assay employs the competitive inhibition enzyme immunoassay technique. The microtiter plate provided in this kit has been pre-coated with Rat OB protein. Standards or samples are added to the appropriate microtiter plate wells then with a biotin-conjugated antibody specific to Rat OB. Next, Avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. After TMB substrate solution is added. The enzyme-substrate reaction is terminated by the addition of sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450nm 10nm. The concentration of Rat OB in the samples is then determined by comparing the OD of the samples to the standard curve
