### **MET Rabbit Polyclonal Antibody, Unconjugated BYT-ORB78194**

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | MET Rabbit Polyclonal Antibody, Unconjugated                                           |
| Biozol Catalog Number      | BYT-ORB78194                                                                           |
| Supplier Catalog Number    | orb78194                                                                               |
| Alternative Catalog Number | BYT-ORB78194-100                                                                       |
| Manufacturer               | Biorbyt                                                                                |
| Host                       | Rabbit                                                                                 |
| Category                   | Antikörper                                                                             |
| Application                | ELISA, IHC, WB                                                                         |
| Species Reactivity         | Human                                                                                  |
| Immunogen                  | A peptide corresponding to middle region of human MET protein.                         |
| Conjugation                | Unconjugated                                                                           |
| Product Description        | Rabbit polyclonal antibody to MET...                                                   |
| Clonality                  | Polyclonal                                                                             |
| Molecular Weight           | 158KD                                                                                  |
| Form                       | Lyophilized power with 1% rAlbumin and 0.02% NaN <sub>3</sub> .                        |
| Target                     | MET                                                                                    |
| Application Dilute         | WB: 1:200-1:1,000                                                                      |
| Application Notes          | Application Notes: Reconstitute in 100µL of sterile H <sub>2</sub> O with 50% glycerol |
