Plant Abscisic Acid (ABA) ELISA Kit BYT-ORB782357

Article Name	Plant Abscisic Acid (ABA) ELISA Kit
Biozol Catalog Number	BYT-ORB782357
Supplier Catalog Number	orb782357
Alternative Catalog Number	BYT-ORB782357-48, BYT-ORB782357-96
Manufacturer	Biorbyt
Category	Kits/Assays
Application	ELISA
Species Reactivity	Plant
Product Description	This assay employs the competitive inhibition enzyme immunoassay technique. The microtiter plate provided in this kit has been pre-coated with Abscisic Acid(ABA) protein. Standards or samples are added to the appropriate microtiter plate wells then w...
Concentration	100 ng/mL
Range	1.57-100 ng/mL
Sensitivity	0.53 ng/mL
Samples	plant tissues

Application Notes

Application Notes: standard: 100 ng/mL. Test principle: This assay employs the competitive inhibition enzyme immunoassay technique. The microtiter plate provided in this kit has been pre-coated with Plant ABA protein. Standards or samples are added to the appropriate microtiter plate wells then with a biotin-conjugated antibody specific to Plant ABA. Next, Avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. After TMB substrate solution is added. The enzyme-substrate reaction is terminated by the addition of sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450nm 10nm. The concentration of Plant ABA in the samples is then determined by comparing the OD of the samples to the standard curve
