| Immunogen                  | Recombinant Arabidopsis thaliana SCPL40 protein                                                                                                                                                                                                         |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                            |
| Product Description        | This SCPL40 Antibody is an unconjugated polyclonal product. It targets SCPL40 using a synthesized peptide derived from Escherichia coli (strain K12) proA as the immunogen. This antibody is suitable for ELISA, WB. Purification: Antigen Affinity.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                              |
| UniProt                    | <a href="#">Q0WRX3</a>                                                                                                                                                                                                                                  |
| Buffer                     | Preservative: 0.03% Proclin 300. Constituents: 50% Glycerol                                                                                                                                                                                             |
| Form                       | Liquid                                                                                                                                                                                                                                                  |

|                   |                                                                                                                                                                                                                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target            | SCPL40                                                                                                                                                                                                                                                                                                                  |
| Application Notes | Application Notes: 1. Biorbyt guarantees the antibody purity > 95% confirmed by SDS-PAGE. 2. Biorbyt guarantees the antibody titer > 1: 64,000 confirmed by ELISA. 3. Biorbyt guarantees to offer antigen-specific Western Blot validation data. 4. Biorbyt guarantees 100% risk-free: No qualified antibody, no charge |
