| Article Name               | SARS-CoV-2 trimeric soluble full-length Spike protein, Alpha variant, S protein                      |
| Biozol Catalog Number      | BYT-ORB864241                                                                                        |
| Supplier Catalog Number    | orb864241                                                                                            |
| Alternative Catalog Number | BYT-ORB864241-100                                                                                    |
| Manufacturer               | Biorbyt                                                                                              |
| Category                   | Proteine/Peptide                                                                                     |
| Application                | Functional Studies, IA, WB                                                                           |
| Species Reactivity         | Human                                                                                                |
| Immunogen                  | Unconjugated                                                                                         |
| Product Description        | Recombinant human SARS-CoV-2 trimeric soluble full-length Spike protein, Alpha variant, S protein... |
| Molecular Weight           | 137 kDA                                                                                              |
| UniProt                    | <a href="#">P0DTC2</a>                                                                               |
| Buffer                     | PBS 20% Glycerol                                                                                     |
| Source                     | Human                                                                                                |
| Purity                     | >95%                                                                                                 |
| Form                       | Liquid                                                                                               |

|                   |                          |
|-------------------|--------------------------|
| Sequence          | 16-1211                  |
| Application Notes | Biological Origin: Human |
