| Species Reactivity         | Rat                                                                                                                                                                       |
| Immunogen                  | KLH conjugated synthetic peptide derived from human MOBP (7-90/183aa)                                                                                                     |
| Conjugation                | AP                                                                                                                                                                        |
| Product Description        | MOBP Rabbit Polyclonal Antibody (AP) is a AP conjugated antibody targeting MOBP. This antibody is suitable for IHC-Fr, IHC-P. It exhibits reactivity with Rat samples.... |
| Clonality                  | Polyclonal                                                                                                                                                                |
| Concentration              | 1mg/ml                                                                                                                                                                    |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                    |
| Target                     | MOBP                                                                                                                                                                      |
