| Host                       | Mouse                                                                                                                             |
| Category                   | Antikörper                                                                                                                        |
| Product Description        | Cytokeratin 6A Antibody (YA3618) is a Mouse-derived and non-conjugated IgG2b monoclonal antibody, targeting to Cytokeratin 6A.... |
| Molecular Weight           | Predicted band size: 60 kDa, Observed band size: 60 kDa                                                                           |
| Isotype                    | IgG2b                                                                                                                             |
| Formula                    | 3853(Gene_ID)(Accession)                                                                                                          |
| Antibody Type              | Primary Antibody                                                                                                                  |
| Application Notes          | MCE Product type: Antibodies                                                                                                      |
