| Alternative Catalog Number | ABI-10-4065-25-25UG                                                                                           |
| Manufacturer               | Abeomics                                                                                                      |
| Host                       | Mouse                                                                                                         |
| Category                   | Antikörper                                                                                                    |
| Application                | WB                                                                                                            |
| Species Reactivity         | Human                                                                                                         |
| Immunogen                  | A partial length recombinant CD127 protein (amino acids 125-340) was used as the immunogen for this antibody. |
| Clonality                  | Monoclonal                                                                                                    |
| Clone Designation          | [ABM2A94]                                                                                                     |
| NCBI                       | <a href="#">3575</a>                                                                                          |
| UniProt                    | <a href="#">P16871</a>                                                                                        |
| Purity                     | Protein G Chromatography                                                                                      |
| Form                       | Purified                                                                                                      |
| Target                     | CD127                                                                                                         |

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Application Dilute | Recommended dilutions: WB: 4-6 µg/ml. However, this need to be optimized based on the research applications. |
