## Product Datasheet

### **Phospho-NDRG1 (Thr346) (Clone: F5) rabbit mAb, Clone: [NDRG1T346-F5], Unconjugated, Rabbit, Monoclonal ABI-12-4079-20**

|                            |                                                                                                                                                                                                                                                               |

| Species Reactivity         | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                  | A synthetic phospho-peptide corresponding to residues surrounding Thr346 of human phospho NDRG1                                                                                                                                                               |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | N-Myc down-regulated gene 1 (NDRG1) has been reported to be a direct transcriptional target of p53. NDRG1 appears to play a necessary, but not sufficient, role in apoptosis, though its exact mechanism of action remains unknown. NDRG1 expression is el... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [NDRG1T346-F5]                                                                                                                                                                                                                                                |
| Form                       | Purified                                                                                                                                                                                                                                                      |

|                    |                                                                                                                                                                                   |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | 1µg/mL - 0.001µg/mL. It is recommended that the reagent be titrated for optimal performance for each application. See product image legends for additional information.(0.5mg/ml) |
